BILLING POLICY

For our students: Each invoice is a combination of flight instructor time and aircraft rental time. The flight instructor time is defined as the time he or she is reserved for on the schedule. The aircraft rental time is measured by the Hobbs meter in the airplane.

For renters: Aircraft rental is measured by the Hobbs meter. Any fuel reimbursements will be paid up to the current price that Cirrus Aviation can obtain fuel from Dolphin Aviation.

Cancellation or No-Show policy: The cancellation/no-show policy requires cancellation outside of 24 hours prior to an existing reservation. There is a percentage-based fee for cancellation/no-show, calculated by the amount of time resources were held by reservation. Weather cancellations will have no fee and will be assessed by flight instructors of Cirrus Aviation.

Block-time credit: Cirrus Aviation offers a 5.5% credit that is non-refundable on prepaid ten-hour blocks. This credit is based on each aircraft's specific rental rate and is applied to the customer's account.

Payment: Customers MUST have a billing method on file whether it is a valid credit card or pre-paid money on account. Payment is due upon completion of each flight.
